THE CHAIRMAN

FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON

March 24, 1995

VIA FACSIMILE - (714) 499-8099

Ms. Lynnea Bylund
South Seas Satellite Communications Corporation

Congratulations on being a successful bidder in the Federal Communications Commission's recent auction of licenses to provide broadband Personal Communications Services. In this auction, the private and public sectors joined hands to create the biggest auction in history - an auction where everyone wins: the American taxpayers, consumers, and industry. Generating close over \$7.7 billion in revenues, this auction demonstrated what our country is capable of achieving when we all decide to pull in the same direction.

I'd like to invite you to join President Clinton, Vice President Gore and me in celebrating this triumph of reinvented government at a ceremony to be held on Monday, March 27th, 1995 at the FCC Auction Site (2 Massachusetts Avenue, N.E., Washington, D.C. - entrance on North Capitol Street): "We would be honored to have you with us."

The event is scheduled to commence at 12:20 pm on Monday, but all guests must be cleared through security by 11:30 am.

Please RSVP to Lisa Minard at (202) 418-0695 by 4:00 pm today so that we can provide the Secret Service with your Social Security number and date of birth. If you are unable to attend, please let us know as soon as possible if you would like someone else to attend in your place.

I hope to see you there.

Sincerely,

Reed E. Hundt
