

Transcendental Wisdom Book of Quotes, a Place for Notes

SPIRITUALITY & SELF-HELP

As more people take time out from their extra-busy lives, or to reflect on what's going on in the world, many are discovering the benefits of daily notes and journaling. Lynnea Bylund herself has been keeping notes and journals for as long as she can remember. "Journaling can help you see your progress, remember day-to-day events and focus on matters of faith and consciousness. It has certainly worked for me," says author, meditator and business professional, Lynnea Bylund. Whether you want to make sense of your busy life or pause and reflect, journaling has a plethora of benefits just waiting to be discovered, adds Lynnea.

"There is only one being." ~ Adi Da Samraj

"In most lives insight has been accidental. We wait for it as primitive man awaited lightning for fire. But making connections through journaling is our most crucial learning tool, the essence of human intelligence; to forge links; to go beyond the given, to see patterns and relationships in context." ~ Marilyn Ferguson

Lynnea Bylund's Transcendental Wisdom Book of Quotes, A Place for Notes provides a simple & encouraging method to discover your innate intelligence and focus on deeper meanings and evolutionary growth and healing from within. This beautifully illustrated convenient pocket-sized self-exploration notebook also makes an ideal gift for a friend or loved one – it makes the perfect daily writing prompt journal for adults and teenagers alike.
