

GANDHI LEGACY TOUR

OF INDIA 'The Book'

TRAVEL & PHILOSOPHY

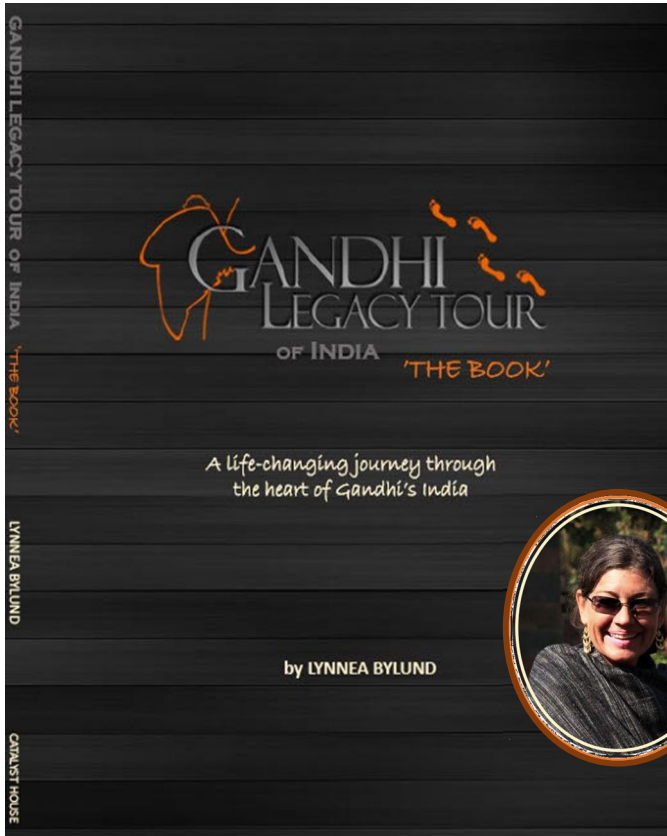

*"His was not a comfortable journey
... but it changed the world."*

He was a frail man with glasses and a traditional Hindu waistcloth, walked with a bamboo staff, and had a near-toothless grin. His appearance was that of a simple Indian holy man. But armed only with great courage and a strong commitment to nonviolent resistance, Gandhi took on one of the world's mightiest empires.

Gandhi Legacy Tour of India does not focus on places of tourist interest, but rather places of human interest. It is designed to educate in the essence of Mahatma Gandhi's philosophy of nonviolence and how individuals may apply it to bring about socio-economic change. Journey with us as we recreate the Tour through words and pictures!

"The opportunity to travel with Arun and Tushar Gandhi on the 2009-2010 Gandhi Legacy Tour of India was life-changing; as an American working on behalf of nonviolence, I gained a new sense of depth, connection and vitality for carrying the Mahatma's work into future generations. This captivating book captures the essence of these tours!"

*- Kit Miller / Director Emeritus -
M.K. Gandhi Institute for Nonviolence*

ABOUT THE AUTHOR

Lynnea Bylund has a degree in holistic health and nutrition from the legendary and controversial health researcher, educator and activist Doctor Kurt Donsbach; She is the former Managing Director of Gandhi Legacy Tours; Director of Gandhi Worldwide Education Institute; Founder of Catalyst House; and has over three decades of knowledge in corporate administration marketing and business development. Through the 90s she was a nationally recognized spokeswoman for emerging broadband video and information delivery industries. Lynnea is the founder of two not-for-profit small business-based wireless trade associations and has lobbied on Capitol Hill and at the FCC where she has spoken out strongly against the cable TV monopoly, illegal spectrum warehousing and congressional schemes to auction our nation's precious airwaves to the highest bidder. In 1995 she was one of only 18 winners, along with Sprint, AT&T, and Verizon, in the biggest cash auction in world history - a whopping \$7.7 billion.

Lynnea is enthusiastically available to give her well-received talks and presentations about Gandhi Legacy Tours of India and South Africa AND Gandhi's vision of a future "Sarvodaya" society - where everyone enjoys a good standard of living with attendant rights & privileges.
Every sale benefits under-privileged children.
