Dear Friends,

On behalf of the Festival of Arts Board of Directors, it is our pleasure to invite you to our VIP Night Pageant performance of "Beyond the Horizon" on Friday, July 6th. This private event begins with cocktails being offered at 5:00 pm and dinner catered by the Hyatt of Newport Beach at 6:00 pm. Curtain is at 8:30 p.m.

Nestled in the art community of Laguna Beach, the Pageant of the Masters has been performing its world-famous "living pictures" — tableaux vivants for nearly 70 years. It is a unique theatrical experience, you won't find a more enchanting production anywhere. Additionally, enjoy the original artwork of approximately 150 of California's most talented artists. Numerous Festival exhibitors' artworks enrich the private collections of celebrities and leading art collectors from around the world.

Some other guests attending this fabulous VIP event will be Peter Bennett, R.C. Gorman, Dom DeLouise, and De L'Esprie.

We look forward to having you as our guest.
